

Dear Jennifer + Royce!

Just a brief note to thank you guys soooooo much for an absolutely fantastic "gig" at Kristi and Eric's big night!! I've always believed that the band was one of the most important elements of a successful wedding, and you did not let us down --- your band sounded spectacular --- and you two especially, and Bridgett as well --- and you should know that we received tons of compliments on our selection of the band for the evening. The cocktail music was perfect, your handling of the intros was great, the quick switch to your wireless mic for our speeches was tremendously helpful, and then ---- the special dances ---- and the rest of the music all night long --- was so professional and well done ---- we couldn't have wished for anything better! The three special dances sounded so much like the recordings we gave you, the grandmothers [and everyone else] loved their "private" song that you did, Royce, and Jennifer --- you could "stand in" for Sugarland on any given night!! Hey, and thanks for throwing in some of my songs --- "Settlin'" was great, and so was "Jessie's Girl", "You're Simply The Best", etc., etc., etc..... I could go on and on; I only wish more people would have danced as much as we did --- they don't know what they missed. I think that might have been because we started so early [3:00 wedding + 5:30 reception] so people got tired and knew they were going to lose an hour in the morning [Daylight Savings Time]. Maybe they also wanted to just drink and smoke in the lounge. <-)

Anyway, we both hope you two were as happy with the evening as we are -- and were satisfied with the final contract, the meals and drinks for the band, and the arrangements. However, if you feel the need to discuss any part of the evening any further, please don't hesitate to call us; we consider you two as good friends -- not just the band we hired -- and want to make sure you were also pleased with the entire outcome. And, one more thing --- if you guys ever want or need either a written or spoken recommendation from us, we hope you know that you can call on us at any time.

Thanks again for a fabulous evening of music, and we'll see you soon at one of your other local venues.

Mike + Brenda
